

# This Practice is LGBTQ+ Friendly

**We are committed to improving access to & experiences of healthcare for LGBTQ+ people across rural Scotland**

[www.ruralgp.scot/lgbtq-plus](http://www.ruralgp.scot/lgbtq-plus)

- 1. We will not discriminate against any patient regardless of their sexuality or gender identity*
- 2. We will provide information and signpost to further resources whenever possible*
- 3. We will strive to use inclusive language in all communications*
- 4. We will respect your confidentiality*

As part of the Rural GP Association of Scotland, we are working to reduce the many healthcare inequalities faced by Lesbian, Bisexual, Transgender & Queer people, in particular LGBTQ+ Youth.

Please ask a member of practice staff if you would like to know more about our goals, or would like further information.
